

Freestanding Planters

Cylinders with rims

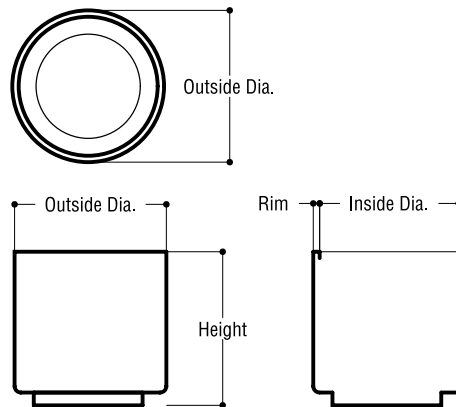

Illustration not to scale

*The fabrication method used in the production of these planters enables us to easily reduce the height of the planter. A reduction in height at the time of order may not require an upcharge. Please contact us for details.

Note:

Please contact us if you don't see the shape or size of planter you need—we welcome custom orders. For planter irrigation and custom internal modifications see page 39. All orders are subject to the Terms and Conditions outlined in this Price List. Specifications are available on our web site.
