

Freestanding Planters

Standard Squares

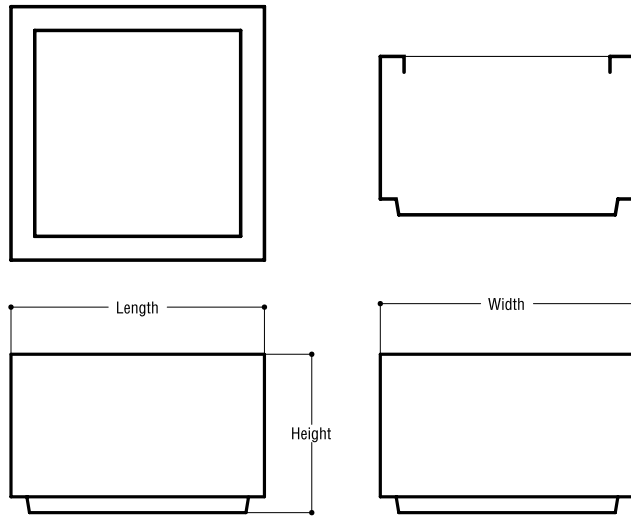

Illustration not to scale

*The fabrication method used in the production of these planters enables us to easily reduce the height of the planter. A reduction in height at the time of order may not require an upcharge. Please contact us for details.

Note:

Please contact us if you don't see the shape or size of planter you need—we welcome custom orders. For planter irrigation and custom internal modifications see page 39. A graffiti-resistant coating is available with upcharge. All orders are subject to the Terms and Conditions outlined in this Price List. Specifications are available on our web site.
